

SMALL GROUP LEADER PROJECT GUIDE

ASSESS

- Discuss passions and areas of interest within your small group.
- Assess the collective skills and capabilities with your group.
- Review the list of ideas on the Serve Day Project Ideas handout.
- Determine what resources your group has access to.
- Assess the safety of any potential projects.
- Decide together on a Serve project that is a match with the above.

PLAN

- Register your small group's project on the Serve Day website at serveday.cornerstonerome.com. There is also a Serve app available in the Apple App Store or Google Play. You can download the app and register your project.
- Familiarize yourself and your group with the individual or organization you will be serving.
- Make a list of preparations that need to be done prior to Serve Day.
- Assign responsibilities according to each group member's skills and gifts.
- Communicate project flow and expectations to your group.

SERVE

- Everyone participating in a project will meet at the Cornerstone Campus that Saturday at 8:30am for a Serve Day kick-off rally.
- After the kick-off rally, your group will head out into the community to complete your planned project.
- Be sure to take photos & short videos during your project to post on social media. **#ServeDay18** **#ServeRome18**
- Love people.
- Have fun!
